

Malpractice Insurance Resources at Your Fingertips

We realize malpractice insurance can be complicated. AANA Insurance Services has developed the **Member Resource Center** offering a wide range of information to help you better understand your current coverage or determine which policy options are right for you.

A banner for AANA Insurance Services. On the left, there are three overlapping squares in yellow, blue, and teal. To their right, the text reads "AANA Insurance Services" in blue, followed by "CARING HAS ITS RISKS®" and "Let Us Help Safeguard Your Career" in a smaller, italicized font. Below this text is a purple button with the white text "View Resources". On the right side of the banner is a photograph of three healthcare professionals: a man in blue scrubs, a woman in a patterned scrubs and hairnet, and a man in teal scrubs.
